

Veritas Classical School

A Classical Christian Education with a Hybrid Homeschool-Private School Schedule

Veritas provides a solid liberal arts, math & science education in a unique two-day format for elementary through high school students.

- On Tuesdays, our Humanities classes meet for language arts, history, Bible, logic, & Latin.
- On Thursdays, our math and science classes meet. Science classes have hands-on projects and labs.
- Students may attend humanities, math, and science classes OR they may select one or more of these three educational opportunities.

Come see if Veritas is a good fit for your family at one of our
